Honoring the life and work of Dr. Eric Young

A Festschrift in honor of Eric Young will be held at the Johns Hopkins University on February 20, 2015.

This event is dedicated to the outstanding career of Professor Eric Young and the contributions he has made to Auditory Neuroscience and to the Johns Hopkins University. Colleagues, students, and friends of Eric Young will present work related to his research and mentorship.

Location: Rangos 490, Johns Hopkins University School of Medicine, Baltimore, MD
