Join us for a lunch and learn session with Dr. Linda Kahl on intellectual property protection in biomedical research!

Dr. Linda Kahl is the Senior Counsel for the BioBricks Foundation, a not-for-profit organization aiming to improve Technology, Law, Education, and the Global Community as they apply to synthetic biology. Linda received her BS in Biology from UCLA, PhD in Cell Biology and Biochemistry from Princeton University, and JD from Santa Clara University School of Law. A leader in biotechnology law and policy, Dr. Kahl has been an invited speaker at venues such as the World Economic Forum, World Health Organization, and the U.S. National Academy of Sciences’ Committee on Science, Technology and Law.
