

# YOUNG FACULTY PANEL: FROM PHD to PROFESSOR

WEDNESDAY, APRIL 17, 4:00-5:00 PM  
TABLOT LIBRARY (TRAYLOR 709, SOM)

Are you interested in going into academia but want to know more about what the job search is like? Do you want to set up your own lab one day but have no idea where you would even start?

Join our young faculty panel on April 17 to hear from three young professors about their experiences as they journeyed from their post-docs to become professors at Johns Hopkins.
