* Note: Students will be enrolled via a Blackboard Community page beginning Sophomore fall and every semester throughout their remaining semesters in the program.
** Note: Pick 2 courses (580.424, 580.427, 580.452, 580.453, 580.454, 580.494). Courses taken in excess of this requirement can be used in the focus area list if applicable.
*** Note: Completion sequence of required math courses is based on student's placement from AP and/or transfer credit. See sample programs for more information.
**** Note: Students planning to minor or double major in AMS should take the separate Linear Algebra (AS.110.201) and Differential Equations (AS.110.302).

## other Notes:

- Fr = Freshman, So = Sophomore, Jn = Junior, Sn = Senior,
$\mathrm{F}=$ Fall, $\mathrm{S}=$ Spring, by = take before that semester.
- Semesters that have already been typed in are the recommended ones for that particular course.
